VOLUME, IV, No. 16

May 28, 2010

Greetings!

**What a year!** I am very proud of the job that the students and staff did this past school year. The 8<sup>th</sup> graders grew both academically and socially and I wish them all the best as they take the next step in their lives. I also believe that the 7<sup>th</sup> graders are ready to assume the student leadership role of the school for the Fall of 2010.

We have been busy contacting local stores regarding the new standard dress code. They are ready and willing to help you! Many of these stores will be having great sales in the next few months on the items you're looking for. We encourage you to check out the following stores.

The display cases of Tecumseh have samples of clothing to show the parents and students specific examples of clothing that meet the standard of the new dress code. Please come check it out. Our intent is not to make this a hardship for any family, so efforts are under way to secure resources to assist families that have a need. If you are in need of assistance, please do not hesitate to contact me. If you are looking for a way to help in this effort, monetary or clothing donations can be delivered to the front office at Tecumseh. Thank you for your continued support. Please let us know if we can be of any assistance. Have a safe and relaxing summer!

Take care,
